Fly-In at Poughkeepsie, NY

June 20 (21), 2020

Join us on Saturday, June 20 (21 rain date), at Dutchess County Airport ([POU](#)), in Poughkeepsie NY, for fun, food, and friendship. Plan to arrive by 10:30, with departures mid-afternoon. We will meet at Paula's Runway Café in the terminal for a 12-noon luncheon and possible Mini Clinic.

For those coming up the coast from the south, this is another great excuse to fly the Hudson River Corridor – over the Verrazano Bridge between 1100 and 1300 feet, fly along the right hand shore line, talk on 123.05 for traffic, and turn direct POU after the new Tappansee Bridge. Be sure to have a NYC TAC and check out the procedure on the FAA or AOPA website.

As always, please go to our [/Forms/NE FlyIn RegForm](#) to let us know that you are coming.

See you in upstate New York, east of the Hudson.
