American Eagle Accommodations

- Accommodates 26 guests; 92 feet on deck.
- All cabins accommodate two persons - we charge a single supplement for those wishing to have one to themselves.
- Hot and cold running water in each cabin.
- All cabins have reading lights, fresh linens, and places to hang clothing.
- Heads and a real, separate, fresh, hot water shower are below deck.
- Walk-through from galley to most cabins.
- Heated compartments below for comfort early and late in the season.
- No smoking below deck; electronics with headphones only.
- Down East cooking - island lobster bake every trip; consistently excellent and innovative cuisine.
- An on-board library not only complements our coastal setting, but we also read stories or poetry often in the evening.

What to expect:

Arrival

- Board the night before sailing and tour the ship with her experienced, five-member crew.
- Enjoy free, secure parking right on the wharf at our shipyard.
- North End Shipyard in Rockland is a working shipyard with all the skills and equipment to preserve, restore, or build traditional wooden vessels.

Dining

- Food is prepared on a wood-burning stove, and the menu is varied and wonderful.

- Smells of freshly baked bread tease the senses in anticipation of meals such as haddock with lemon caper sauce, green beans, and Caesar salad.
