### Tribe News

Sadly, we have had to cancel/postpone all tribe fly-ins and group activities to the Covid-19 pandemic. As always, we will continue to update you as this volatile situation unfolds. Several important cancellations are listed below.

### From the Tribe Chief

I hope you and your families, friends, and loved ones are safe and healthy in this historic time of uncertainty. Many of us are abiding by "shelter in place" and "stay at home" governmental mandates, as we go through the difficulties of the Covid-19 pandemic. Clearly, these mandates are meant to keep us safe and healthy. So... Please wash your hands ... and follow common-sense advice.

Regarding our tribe activities, for the health and safety of our members, we have postponed or cancelled all fly-ins and gatherings until further notice.

As many have said, "this, too, shall pass". I am optimistic that, soon, life will get back to normal mode and we'll be flying again.

I wish each and everyone of you the best as we move forward in these trying times.

If you have any questions, comments, or suggestions, please let us know.

### **2020 ICS Annual Convention – Nashville, TN**

Regretfully, the 2020 ICS Annual Convention, scheduled for September 2020 in Nashville, TN, has been cancelled due to the Covid-19 pandemic. The ICS Board of Directors is working to reschedule the convention to 2021. We will update you as further announcements are made.

### **Sun n' Fun 2020**

The organizers of Sun n' Fun have announced the postponement of this year's gathering to mid-May. However, we suspect that this date will again be revised with another postponement or a cancellation until next year. We will update you as further announcements are made.

### **CPPP Training Seminar**

The CFF-sponsored Comanche Pilot Proficiency Program scheduled for May 9-10, 2020 in Georgetown, SC (KGGE) has been postponed until further notice, due to the Covid-19 situation. Dave Fitzgerald, CPPP Program Director, will advise us of a rescheduled date and we will update you at that time.

## Tribe Fly-ins

The 2020 tribe fly-in schedule remains unpublished due to the uncertainties resulting from the Covid-19 pandemic. Your tribe officers will work to create a modified schedule as soon as practical. If you have any suggestions or would like to host a fly-in at your favorite airport, please let us know.

## 2020/21 Tribe Elections
