All NE Tribe members,

Next weekend is the fly-in at Groton, CT (KGON) for their celebration of National Aviation Day. As you can see from the attached press release, there is a lot going on. We have reserved parking for our Comanches on the west ramp parallel to taxiway H. We also have a scheduled demonstration of Survival Systems water escape training at 2:30. You don't want to miss this! As always, please let us know that you are coming by submitting our [/ICS-NE_FlyIn_RegForm](#).

We are planning to reschedule the Canadian fly-in for the end of September. This weekends plans were cancelled due to forecast convective weather. More later.

Lastly, it is time to hold elections for the NE Tribe officers. If you have an interest in running for office or know someone who would be great for the job then [use our Nomination Form \(/ICS-NE_NomForm\)](#) to place their name in the hat. This link can also be found on the bottom of our NE Tribe [/ICS-NE_page](#). Nominations will close on Labor Day and the Tribe elections will take place in the month of September.

See you at the fly-in!
Pete Morse, Scribe
