### re North East Tribe Election

Dear Michael,

The vote is open and happening now for your officers. You can vote either on the website voting platform or if you are unable to get onto the website, you can email Sally Williams who is the Elections Chair of the ICS who has volunteered to assist. [sawilliams3421@gmail.com](mailto:sawilliams3421@gmail.com)

I encourage you to vote and open a new chapter for your tribe.

For the avoidance of doubt, the ICS is not running your election. You are running your election with the assistance of the ICS Voting platform and Election chair to ensure a free, fair and unbiased election process to take place for the benefit of all.

Please remember, only NE Tribe members who are current members of the ICS are able to vote in your election. So please, vote either on the website or by email. Click [HERE](#) or head to the [ComancheFlyers.com](http://ComancheFlyers.com) website, under the tab ICS Members, go to ICS Members Voting.

I wish you all Fair Winds and good voting.

Kate  
ICS President
