**William L. Brooks**

ICS #11955

Position – Tribe Secretary (Scribe)

William L. Brooks has been a member of the Northeast Tribe for 25 years. He joined the ICS in 1994 when he purchased his Comanche 180, which he still owns and flies. He also owns a restored Luscombe 8A.

William is a patent attorney and is a CFI and an ATP with 3,200 flight hours.

**Dwight W. Coombe**

ICS #10702

Position - Tribe Representative

I have been an ICS member since 1993. I own and fly a 1967 260B model and have been all over the country with it. I average about 150 hours a year flying it for both business and personal use. I own a 150-year-old insurance firm that does all insurances except health insurance. We also do a fair amount of aviation insurance. I have a great team in my firm, and we continue to be successful. I am excellent with overseeing everything from personnel to finances.

I am excellent with people and I am a “very straight shooter” with my input on subjects discussed.

**John Futter**

ICS #7686

Position – Treasurer

I have owned my Comanche 260C, N9317P since 1987, and have been a member of ICS since around 1988. I have lived in New England my entire life. I worked in corporate Data Processing from 1976 to 1990, worked as a Computerland System Engineer from 1990 to 1992, and have run my own network consulting firm from 1992 to the present. I received my SEL license in 1981 and my instrument rating in 1991.

John H. Futter B.A., B.S., M.B.A.

Notary Public, Commonwealth of Mass.

**Peter Morse**

ICS #16012

Positions - Assistant Tribe Chief, Tribe Representative

ICS and Northeast tribe member since 2003. Owned PA24-250 N6632P since 2002. Former NE Tribe Chief, Tribe Rep, and Assistant Tribe Chief. Current Northeast Tribe Scribe, website and fly-in coordinator.

I created and maintain the NE Tribe website. I am a recognized member of ICS worldwide. I chaired the 2012 ICS Convention in Baltimore.

**Arthur Rosenberg**

ICS #106368

Position – Tribe Treasurer

Arthur Rosenberg is a CPA and has also been a successful financial advisor for decades. He has owned several aircraft, including a Comanche 180 as well as Twin Comanche. He currently flies a Piper Aztec which he has owned for 42 years. He has flown his own planes throughout the US, Canada, Alaska, Mexico, the Bahamas, the Caribbean, Europe, and Africa, visiting 27 countries and foreign territories.

The FAA has recently approved Arthur to receive the prestigious Wright Brothers Master Pilot Award, recognizing his 50+ years of safe flying.

**Jay Shearer**

ICS #12843

Position - Assistant Tribe Chief

Jay Shearer is a pilot and an A&P/IA. He owns Shearer Aviation at Deck Airport (9D4) and has been an aircraft mechanic for well over four decades. He has owned his Comanche 180 since 1983, with which he has won several prestigious awards at aircraft shows. Jay is a Comanche expert and sits on the ICS Technical Resource Committee, advising our members with their most difficult maintenance and repair issues.

Jay has recently been awarded the FAA's Technician of the Year award for the entire East Coast Region.

**Av Shiloh**

ICS #16025

Positions – Tribe Chief, Tribe Representative

Av Shiloh has served the Northeast Tribe as Assistant Tribe Chief, Tribe Chief and Tribe Representative. He has also served on the ICS Board of Directors, as ICS President, and as a member of various ICS committees. He restored his 1970 Turbo Comanche and won numerous awards, including the ICS Flagship Award and the EAA's Outstanding Comanche Award at Oshkosh. Av is a CFI, CFII, MEI, and ATP. He volunteers as a CFF Authorized Comanche Instructor.

Av's mission is very clear; enhance ICS social opportunities such as fly-ins, promote educational and training opportunities, improve technical and type-support functions, and LET'S MOVE FORWARD!

**William J. Waldron**

ICS #3230

Position – Tribe Chief

I served in the USAF for ten years as a pilot and was promoted to the rank of Lt. Colonel. I started flying Comanches in 1978 when I joined ICS! My ICS member number is 3230. I have been to many ICS national and international fly-ins, and most recently Cuba, Edmonton, and Scotland! I would be proud to serve as ICS Tribe Chief.

I currently own and fly a Comanche 400 that I have owned for 35 years.

**Gloria Smith Zawaski**

ICS #16895

Position – Tribe Secretary (Scribe)

2016- Present: Columnist and Contributor to the Comanche Flyer

2016- ICS Cleveland Convention-Speaker.

As a freelance writer and former public relations professional, I believe I have the necessary skills. As a one-plane woman, I am certain I have sufficient dedication to the aircraft...As a long-time member of the ICS and the NE Tribe, I know I will work hard to keep the group together under one wing. Finally, I am determined to have a good time accomplishing the above and hope others will be similarly motivated. After all, if this isn't about the fun of flying...why bother?
