All Northeast Comanche Tribe members,

Want a chance to see democracy in action? **Come to the Danielson Airport (KLZD) at Danielson CT this Saturday to help verify and count the mailed in Election Ballots.** This will be a one-day, somewhat tedious process, but many hands (and eyes) make light work.

Plan to arrive by mid-morning. **We will be picking up the Ballots from the Putnam Post Office around 10:30 AM to bringing them to the Danielson FBO.** There we will verify each Ballot as legitimate, cross check it against our mailing list, and tally the votes. We will call in an order to a local restaurant for lunch.

Saturday's weather is forecast to be sunny, but with a Southwest wind. This will mean a direct crosswind for Danielson's runway 13-36. For those who opt for a more favorable destination, Windham Airport (KIJD) is 14 nm west with runways 09-27 and 18-36 available. You can contact me (below) for transportation from there to Danielson.

Please, register on our [/NE_FlyIn_RegForm](#) . You can include your destination preference in the comment box.
